- Hand sanitizing before and after class for all dancers.
- Our lobby will be open but we recommend that only one parent enters the building to drop off and pick up dancers.
- Please have your dancer dressed and ready for class when they come into the studio.
- Teachers will monitor social distancing throughout the duration of each class.
- Anyone with flu-like symptoms, a fever of 100.4° or higher, or has been exposed to someone with Covid-19 is asked not attend class.
