

A Dress Code saves dance parents time and money, but also helps to ensure:

1

Clothing is not a distraction during class.

2

Dancers understand they are going to a structured class (vs. unstructured playtime).

3

Dancers are appropriately dressed and necessarily covered for class.

4

Dancers have the same brand, style and color of shoes and tights for performances.

Next Step Dance Studio Dress Code Information

Dancers must comply with the NSDS Dress Code.

Proper class attire and hairstyle helps to create the disciplined environment required for dance classes. All class attire & shoes must be purchased from NSDS.

School Year Classes (September-June):

- Class tutu, skirted leotard, leotard or hip hop shirt
Male dancers wear white t-shirt & black shorts/pants
- Appropriate shoes (determined by class enrollment)
- Tights: Pink, Tan and/or Tan Convertible
- Hair must be pulled off the face and secured in a ponytail or bun

Several times per season, dancers may wear whatever they choose to class that fits the theme.

Check the Studio Calendar for Special Weeks.

Mini Sessions, Summer Classes and Events:

No dance shoes needed. Wear comfortable clothing you can move in (tshirt, shorts/sweatpants, socks).
